### **Enclosure A**

#### **Department of Missouri** **Marine Corps League**

### **Guide to Hosting a Department Convention**

This guide will include stated rules, along with additional customary styles of conducting a more effective convention, that are not defined in Chapter Four, Section 4055 (b) of the Administrative Procedures. The intention of this document is to aid a Detachment in bidding on, setting up, and hosting a Department convention. Any procedures approved by the Department Staff will take precedence over any part of this document and will render it void and/or re-stated by its directive.

#### **Section I: Bidding on a Future Convention**

All bids should be submitted to the Department Senior Vice Commandant, who chairs the Time and Place Committee. All bids shall be received not later than the March Quarterly Department meeting prior to the Convention where the bid will be voted on. This will allow the Time and Place Committee ample time to visit the proposed site and make recommendations to the prospective host Detachment and inform the Department Staff.

The bid should be submitted in writing and include the draft schedule of events, proposed dates, location, all rates, hotel accommodations for handicapped, and provide a list of point-of-contacts and any other information deemed important by the submitting Detachment.

An information packet should be prepared and made available to the delegates at the convention meeting where the vote is to take place. This packet should contain the information listed above and any other pertinent items. A verbal presentation should be made by the bidding Detachment at the request of the Committee Chairman prior to the vote.

#### **Section II: National Officers, Guest Speakers, Department Commandant and Auxiliary President**

It is recommended that the hosting Detachment invite a National Officer and/or a Guest Speaker to attend the Convention. Protocol for inviting a National Officer is covered under a separate protocol document and should be coordinated with the Department Staff. The National Officer can be the guest speaker, but solely at the discretion of the hosting Detachment. (See protocol guidelines for National Officers and Department Commandant)

If the Guest Speaker is a separate individual then the proper protocol depending on the Military or Civilian ranking of the individual shall be adhered to with the accommodations, banquet and travel shall be covered by the host Detachment as agreed to by the two parties.

Accommodations for hotel and banquet should be arranged and paid for out of convention proceeds for the National Officer or Guest Speaker. This person should be contacted at least 6 months in advance with written invitation and a later written confirmation.

The Convention hosts should pay for the Department Commandant's and Auxiliary President's hotel rooms as well.

### **Section III: Notification of Department Members**

A preliminary informal notification letter should be made available to all Department Staff members and Detachment Commandants at least six months prior to Convention. This should include location, dates, all rates and charges and any other important information.

A complete information and registration packet should be prepared and made available to the Department membership a minimum of three months prior to the convention. This should include a registration form, with return address, that has all charges for attending the convention. Included in the charges will be a delegate fee that is set by the Department Staff and accepted by the previous convention body. The delegate fees collected shall be turned over to the Department Paymaster immediately following the closing of the convention. The packet will also include hotel information with room rates, contact phone numbers and cut off dates for convention registrants.

The Department Staff will approve the schedule of events that will be attached, along with any other added social events planned by the hosting Detachment. (Be prepared, Department of MO Marines are notoriously late with registrations)

### **Section IV: Attendance streamers/ Detachment Colors**

An attendance streamer should be made available and presented to each Detachment with a member attending the convention. It has historically been awarded to only those Detachments that display their Colors at the convention, but this requirement has been waived. The streamer can be any color but must be printed with the following: MCL League emblem and "Dept. of MO (year) Convention". This streamer should be suitable for attachment to a flagpole. The streamers will be purchased by the hosting Detachment.

### **Section V: Tried and proven convention schedule recommendations.**

A Marine Corps League Flag should be displayed at the hotel entrance (if possible) along with a "Welcome Marines" display on the hotel marquee. A welcoming committee should be stationed near the front entrance to direct all Marines to the convention registration area and to assist with any needs or problems. A convenient registration area should be set up close to the hotel lobby.

## **SAMPLE MOY NOMINATION LETTER**

### **Department of Missouri 20XX-20XX Marine of the Year**

Marine Chesty Puller has been a major source of inspiration for the entire Detachment. Marine Pull has served as the Detachment Chaplain for the past four years. During this time Marine Puller has done as outstanding job in contacting ill and injured Marines and their families to give comfort. Marine Puller has reported on the condition of these Marines and their families and ask for others to contact the ill to provide additional comforts. Marine Puller has led most funeral-home memorial services, has interfaced with the families for aid and comfort. Numerous members of the Detachment have commented on how professional Marine Puller has carried out the duties of Chaplain. Marine Puller is on the current Detachment 725 ballot to serve as Junior Vice Commandant. Marine Puller is currently the assistant Training Officer for the Midwest Division.

Marine Puller has also served as Co-Chair for the Toys-for-Tots in 20xx and 20xx, and has Chaired the Detachment's Toy-for-Tots Campaign in 20xx. Marine Puller has also participated in the Detachment fundraiser Bar-B-Q for several years.

Marine Puller has received the following Marine Corps League awards:

Certificate of Appreciation in 20xx.

Distinguished Service Award in 201xx.

Detachment MOY in 20xx.

Marine Puller is also a member of the Military Order of the Devil Dogs.

Marine Puller faithfully flies the American Flag and the Marine Corps Flag at his residence.

### **Scoring and Conversion Instructions:**

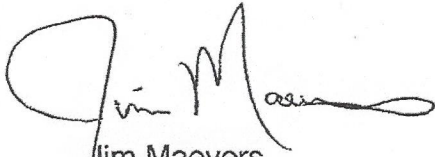

1. Transfer scores from ballots received. Looking at the sample above, Steve Brown's ballot had Williams as 1st choice, Doe as 2nd choice and Johnson as 3rd choice, resulting in the converted scores shown in Red, where a 1=3, 2=2, and 3=1 . Do this with each ballot received.
2. After all ballots are received (or deadline has been reached), tally the converted (Red) scores. Nominee with highest converted total is the Department Marine of the Year. In the example above, J. Doe has the highest score of 13, and would be the MOY.
3. Provide this name to the Department Sr. Vice Commandant so the plaque can be ordered and engraved. Also provide the Sr. Vice with a copy of the MOY's nomination letter to be read during the award presentation.
